

The Savannah To-Go Cup
Savannah Downtown Business Association
Call For Designs

1.0 General Overview

The Savannah Downtown Business Association (SDBA) invites local Savannah artists to submit design proposals for the inaugural “Savannah To-Go Cup” - a recyclable aluminum cup that is distributed through SDBA partners. Selected designs will highlight the beauty of Savannah. The selected artist will receive a cash prize of \$1,000. Applications for designs to be considered for a run of over 50,000 cups must be received by midnight on November 30th, 2024.

1.1 About the Savannah Downtown Business Association

The Savannah Downtown Business Association (SDBA) is an independent 501C6 membership-based organization actively engaged in the promotion of a prosperous downtown business community.

1.2 About Ball Aluminum Cups

Ball Aluminum Cups are made of 100% infinitely recyclable aluminum. In 2021 the City of Savannah prototyped a successful and limited launch of Ball Aluminum To-Go Cups branded with the City of Savannah logo.

2.0 Artwork Submission Requirements

Artwork shall be submitted online through the DBA’s website by midnight on November 30th, 2024. The link to the submission is listed below. Artists can submit up to three entries.

LINK: <https://sadba.memberclicks.net/artwork-submissions>

3.0 Eligibility

Applicants must be residents of Bryan County, Chatham County, or Effingham County Georgia or Beaufort County, South Carolina. Proposals from artists of all backgrounds and abilities are welcomed. Proposals will only be considered if all the required information outlined is correctly received.

4.0 Contract

Selected artists will work directly with the SDBA for final order submission and be available for media as needed. Selected artists will enter a contract with the SDBA releasing any and all rights to the SDBA for usage of artwork in any and all forms.

All submissions not selected for the inaugural may be considered for any future To-Go Cup designs. Artists will be contacted at least two months in advance of the SDBA using their submission and receive \$1,000 for their design.

5.0 Evaluation, Selection, and Approval

After a technical review by SDBA staff, submissions will be juried by the SDBA's Board of Directors.

5.1 Scoring Rubric

All submissions will be scored on the following three categories out of a total possible 100 Points.

Clarity of theme (Summer in Savannah) and overall concept [30 Points]

Formal and aesthetic qualities [30 Points]

Creativity and originality [40 Points]

6.0 Selection and Installation Timeline

Three Weeks - Submission closes at midnight on November 30th, 2024

Five Weeks - Announcement of selected artist

Nine Weeks (approximately) - To-Go Cup distribution begins to businesses
